Dr. Widyarso Roswinanto,

Sorry for inconvenience cause.

The problem we face is with your paper id. The paper id in our system is **CIMSSR-00285** which is registered and paid with the paper titled "Like Father Unlike Son: The Asymmetric Transfer of Aesthetic and Functional Beliefs in Brand Extension Practices"

The problem started because of duplicate paper id CIMSSR-00213. We understand your situation and we will send you the full paper feedback in couple of days.

Once again, sorry for the inconvenience. Please feel free to write if you may have any other query.

Kind regards,
Rasul Shukrov

Dear Committee,

Despite all the communications and proofs that I have made with the committee, and with the humble requests for confirmation, no confirmation or responses received from you. I attached in the bottom of this email, part of the communications and proofs.

And now when I (**as a paying participant**) humbly ask for the follow up of paper review and publication opportunities, all you can respon is a short message as *"You did not paid the conference fee and decision is on hold."*

It is still okay for me if you just deny to fulfill your responsibility. But mere anonymous response, again just saying that I did not pay the conference fee, after such long communications and proofs, is really **SO HUMILIATING**.

Regards,
Widyarso Roswinanto, Ph.D.

Dear Committee,

First of all, could you please advise whether the issue with my registration and payment has been resolved, as I have explained and attached the proofs in my last email.

Secondly, could you please also advise to which email address the paper review was sent. Up till today I have not received the review.

Thank you and best regards,

Widyarso Roswinanto, Ph.D.
